### HONOR ROLL

Of Paris City School for Month of  
November—Total of 1,043 En-  
rolled—White School, 699;  
Colored School, 344.

To be able to make a good report is  
always a pleasure, and we have never  
had more encouraging facts on which  
to base a monthly report of our most  
excellent schools than we have for the  
third month of the 1911-12 term.

The enrollment in the white  
school is 699 and in the colored 344  
making a total of 1043. The average  
daily attendance in the white school is  
585 and in the colored 289 or a total of  
874, of these 464 were neither absent  
nor tardy. The work being done by  
the pupils is of a high class. Especial  
effort is being made, not so much to  
put facts into the minds of the pupils,  
as to teach them how to get facts from  
books, periodicals, etc., and the world  
about them, and above all to teach them  
to love knowledge and to arouse in them  
an ambition to do and be something  
"worth while." This, the greatest  
thing that can be done for children, is  
being done better than ever before in  
our schools.

Every department is successful and  
the colored school seems to be taking  
on new life and getting down to real  
business under the management of the  
ambitious and efficient Principal, F. M.  
Wood. Two hundred and eight are on  
the "Honor Roll" and almost as many  
more missed it by a fraction only.

Abundance of fresh air constantly  
pouring into the rooms through the  
hot radiators, the respect and kindness  
shown the pupils by the teachers and  
varied and interesting programs keep  
the pupils happy in their work.

#### A Charming Woman

is one who is lovely in f.c.e. form,  
mind and temper. But its hard for a  
woman to be charming without health.  
A weak, sickly woman will be nerv-  
ous and irritable. Constipation and  
kidney poisons show in pimples,  
blotches, skin eruptions and a wretch-  
ed complexion. But Electric Bitters  
always prove a godsend to women  
who want health, beauty and friends.  
They regulate stomach, liver and kid-  
neys, purify the blood, give strong  
nerves, bright eyes, pure breath,  
smooth, velvety skin, lovely com-  
plexion and perfect health. Try them.

#### Reached by Telephone Number.

A man in the island of Capri did  
not know the address of his friend in  
New York, but he knew his telephone  
number to be "800-R East, New  
York." So he sent a registered pack-  
age to this address and it was prompt-  
ly delivered.

#### Catarrh Cannot be Cured.

with local applications as they can-  
not reach the seat of the disease. Cat-  
arrh is a blood or constitutional dis-  
ease, and in order to cure it you must  
take internal remedies. Hall's Cat-  
arrh Cure is taken internally and acts  
directly on the blood and mucous sur-  
faces. Hall's Catarrh Cure is not a  
quack medicine. It was prescribed  
by one of the leading physicians in  
this country for years and is a regu-  
lar prescription. It is composed of the  
best tonics known, combined with  
the best blood purifiers, acting direct-  
ly on the mucous surfaces. The per-  
fect combination of the two ingredi-  
ents is what produces such wonder-  
ful results in curing catarrh. Send

#### Rus in Urbe.

A Springfield, Mo., man, describing  
his experience in New York, says: "I  
got on street cars two or three differ-  
ent times and told the conductors the  
names of friends along the line that  
I wanted to visit, and blame me if  
they could tell me where any of them  
lived!"—Kansas City Times.
